

# **Going Green and How REALTORS® Can Help**

Marifran Watrous-Shelley

VP of Business Development, RMLS™

March 31, 2008

# Going Green.....

## Regional Multiple Listing Service (RMLS™)

Headquartered in Portland, OR, the greenest city in the US (*Popular Science Magazine™, February '08*)

## Green fields implemented in February '07

Based on subscriber requests to Forms Committee and approval by the Board of Directors

Plan to continue adding and refining fields

# RMLS™ Green Certification

*Green Certification for existing properties is being considered*

“The interest level in understanding the different shades of green is growing and I believe the MLS changes helped this happen. I am actively assisting other parts of the country to make this change as well – it’s very exciting to see it catch on.”

-Kria Lacher, “Portland’s Green REALTOR®” who spearheaded effort to bring green certification to RMLS™
