Attendees love it...

"Since attending my first REALTORS® Conference & Expo in 2004, I have expanded my business, service and training to a global business. I have colleagues and friends from around the world, and I always walk away from the conference feeling empowered, inspired, energized, excited and ready for the year ahead. This is a must-attend event in my annual schedule."

Jo-Anne Oliveri, Brisbane, Queensland, Australia

"The REALTORS® Conference & Expo always provides new training ideas and motivational sessions. Training at this level is not offered where I come from...to have it available in one place and one event is wonderful!"
