REALTOR® Association Models General Assessment Results

Here are the results of your assessment:

This results report lists the five major assessment areas and a breakdown by percentage of how much of an Administrative, Management, or Leadership association your processes are. Don't be surprised if your results show that your association is more like the Administrative Model in one area and more like the Leadership Model in another. Read more about [understanding your results](#).

Governance of Association Structures and Organizational Operations

	Current	Future
Administrative Model:	20%	60%
