

**National Association of REALTORS®
2017 Safety Reimbursement Grant Application**

The goal of the NAR Safety Program Reimbursement Grant is to provide funding assistance to state and local REALTOR® Associations to help implement a Safety Program or feature for their members, and to encourage ongoing awareness of REALTOR® Safety.

A Safety Reimbursement Grant must be used to reimburse funding for projects that will keep safety awareness top of mind for REALTORS® and Association staff. Grants are available up to \$2,500.

2017 Safety Reimbursement Grant Application**

1. In 300 words or less, describe how your Association will use a 2017 Safety Reimbursement Grant. In this description, clearly indicate how your Association Safety Initiative will meet the NAR Safety Program Grant Criteria:
 - Creates a new or enhanced product, program, process or service to encourage and promote REALTOR® safety;
 - Educates REALTORS® on the importance of having, and ways to implement a safety plan;
 - Demonstrates a realistic budget and timeline necessary to complete project/activity in 2017;
 - Adaptable to other REALTOR® Associations.

2017 Safety Reimbursement Grant Application**

3. Provide a specific budget and timeline for your Association Safety Initiative. Include the resources your association plans to contribute to the implementation of the initiative, both financial and staffing (in kind) resources. It is important to be very realistic about your expected vendor costs, fees, marketing budgets, speaker fees or anything else that can affect the success of your plan.
