## If You Request A Waiver of a Hearing

Waiver of Right to a Hearing

Your response to question 1 will be verified by the Grievance Committee Chairperson. If no violation has been found in the last three (3) years, and you answer the above questions in the affirmative, the complaint will be referred to a professional standards Hearing Panel. The panel will meet in executive session; neither the complainant nor the respondent will be present. The panel will determine whether the allegations, as acknowledged by the respondent, support a violation of one or more Articles of the Code of Ethics. The panel will prepare a written decision including findings of fact, conclusions, and a recommendation for discipline if a violation is found. Discipline may include only one or more of the following: a letter of warning or reprimand, mandatory attendance at a relevant educational program, suspension for thirty (30) days, or a fine not in excess of \$15,000.\*

The decision of the panel will be filed with the Professional Standards Administrator of the Board and disseminated as provided in the *Code of Ethics and Arbitration Manual*. Any appeal of the decision will be in accordance with the *Code of Ethics and Arbitration Manual*.

(Revised 11/16)

<sup>\*</sup> In addition to imposing discipline, the Hearing Panel can also recommend to the Board of Directors that the disciplined member be put on probation. Probation is not a form of discipline. When a member is put on probation the discipline recommended by the Hearing Panel is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the Code of Ethics during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the member's record will reflect the fulfillment. The fact that one or more forms of discipline will be held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance.
