ABOUT THIS DOCUMENT

This handbook is designed to serve as an all-in-one reference guide for both REALTORS® interested in becoming a Global Ambassador as well as current Global Ambassadors. The handbook is divided into two parts – About the Global Ambassador Program, which contains everything you need to know about the program as you make your decision to apply for an appointment, and For Global Ambassadors which has information, instructions on forms, and staff's contact information.

ABOUT THE GLOBAL AMBASSADOR PROGRAM

PROGRAM OVERVIEW

Global Ambassadors (“GAs”) are U.S.-based REALTORS®, appointed by the NAR President to serve as NAR’s ambassadors to real estate professionals and organizations in their assigned group of countries. They help maintain NAR’s relationships with its bilateral partners in these countries. Appointees are generally CIPS designees and, ideally, have experience volunteering at their local or state REALTOR® Association, and have some knowledge of the real estate practice, culture, and language of at least one of their assigned countries. Appointments are made each year prior to the NAR NXT The REALTOR® Experience Conference and run concurrent to the NAR presidential term, with the term beginning at the conclusion of the Conference. For the list of current Global Ambassadors, please see [NAR’s Global Ambassador Directory](#). GAs are members of the NAR Global Alliances Advisory Board.

GAs serve for a term of one year. However, in many cases, it takes longer than one year to develop significant working relationships with international partners. With this in mind, consideration will be given to re-appointment where such action will strengthen and intensify relationships. In most cases, GAs will not serve for more than four terms.

GAs are not empowered to officially represent the views and positions of NAR, except when specifically directed to do so by the NAR President.

Current country groupings are as follows. GAs are assigned to one of these groupings and represent NAR in all of the countries in the grouping.

- Andorra, France

GLOBAL OBJECTIVES

NAR Global Mission

NAR Global connects our members to an unparalleled network of qualified REALTORS® around the world, provides education to help them work with international clients, and delivers the business tools to help them successfully globalize their business.

We have a bifold focus. In the United States, we help local and state REALTOR® boards build awareness among their members of the global business opportunities within their own market. Outside of the United States, we focus on making real estate markets more accessible, profitable, and ethical for our members to conduct business. To that end, Global Ambassadors play an instrumental role to help maintain and develop NAR's relationships with its bilateral partners around the world.

Specifically, the objectives of the Global Ambassador Program are:

- to promote ethical real estate practices and the REALTOR® network and value through International REALTOR® Membership
- to help NAR's bilateral partners implement best practices utilizing NAR tools, products and services
- to help NAR's bilateral partners understand their partnerships with NAR and to assist them as it relates to the partnership
- to help maximize engagement between NAR and its bilateral partners and to assess their ability and willingness to work with NAR
- to be a resource to NAR's members – both domestic and international.

NAR GLOBAL COORDINATORS

Each GA serves within one of the following regions:

1. North America, Central America, Caribbean
2. South America
3. Asia/Pacific
4. Western Europe
5. Central/Eastern Europe, Middle East, Africa

Each region is assigned a Global Coordinator or GC, who oversees and supports the activities of all GAs in his or her region. GCs are also appointed annually by the NAR President. GAs can expect to meet with their respective GCs at NAR meetings and should contact them with specific issues throughout the year.

2. South America: Ileana Bogaert, Marco Island, FL, Ileana@BogaertsInternational.com

AMBASSADOR ASSOCIATION PROGRAM

The National Association of REALTORS® maintains relationships with more than **110 real estate associations** in **75 countries**; those associations are our bilateral partners (also called Cooperating Associations). Part of the bilateral agreement is the understanding that the partner will have a direct connection to NAR through a U.S. state or local association, which we call Ambassador Associations. The intent of the Ambassador Associations is to provide an organization-to-organization contact for our associations to share best practices, ideas, and solutions to common problems with one another, as well as hosting delegations visiting the United States (when applicable).

Interaction between Ambassador Associations and their assigned cooperating associations varies from country to country. NAR Global staff or the Global Ambassador is often the central point of communication to the partner association, especially where language is a barrier. Ambassador Associations may become involved in assisting in the development of organized real estate in a country or in the structure of a country's real estate association. In this case, a particular Ambassador Association staff member or volunteer representative may work closely with the bilateral partner.

Given the range of communication styles and levels of responsibility, and to best serve our bilateral partners, a state or local association must have an active global group (Global Business Council or other) within its structure in order to become an Ambassador Association. In addition, it is important that the Global Ambassador and the Ambassador Association communicate frequently and develop a working relationship. The Ambassador Association should also regularly communicate with the Global Coordinator assigned to the country as well as NAR Global staff.

Not every partner country of NAR is assigned an Ambassador Association. The partnership is assessed based on the need of a partnership as well as the two parties' willingness and ability to participate in the program. For more information about this program and the list of current Ambassador Associations, please visit nar.realtor/global/ambassador-association-program.

GLOBAL ALLIANCES ADVISORY BOARD

The Global Alliances Advisory Board (GAAB) is an advisory board that reports up to the Global Business and Alliances (GBA) Committee. Its purpose is *"To provide guidance in the operation of NAR's Global Networks program."* Global Ambassadors and Global Coordinators are automatically members of the GAAB. The GAAB has two scheduled meetings a year: at the Legislative Meetings and Trade Expo in May and the NAR NXT The REALTOR® Experience Conference (formerly the REALTOR® Conference and Trade Expo) in November. Other special meetings may be scheduled throughout the year, but will most likely be virtual meetings.

RESPONSIBILITIES OF THE GLOBAL AMBASSADORS

1. To the extent that participation in the Cooperating Association's annual meeting or convention can potentially help NAR reach its objectives, the Global Ambassadors are encouraged to attend the events as a representative of NAR.
2. Global Ambassadors should be prepared to share relevant information on their respective countries' real estate industries with interested NAR members. Global Ambassador's contact Information – email address and phone number – will be shared in a directory the NAR website, specifically globalalliances.apps.realtor.
3. Global Ambassadors officially meet twice annually at the REALTORS® Legislative Meetings and Trade Expo and the NAR NXT The REALTOR® Experience Conference.. As official appointees of the NAR President, Global Ambassadors are required to serve on and participate in the meetings of the Global Alliances Advisory Board. Global Ambassadors who cannot attend this meeting must request to be excused.
Global Ambassadors are also urged to attend meetings of the Global Business and Alliances Committee, especially at the NAR NXT The REALTOR® Experience Conference when many foreign delegations are present.
4. Global Ambassadors, in conjunction with the Ambassador Association if applicable, host the president, executive officer and/or delegation of the respective international Cooperating Association during the REALTORS® Legislative Meetings and Trade Expo and the NAR NXT The REALTOR® Experience Conference.. This includes but is not limited to:
 - Attending special meetings set up by NAR staff with the leaderships of the Cooperating Association.
 - Participating in events for or organized by the Cooperating Association.
 - Guiding and assisting the Cooperating Association's delegation to relevant meetings and social activities.

Global Ambassadors should contact the Cooperating Association's delegation in advance of their arrival to plan an in-person meeting and go over the Conference agenda. NAR staff will provide Global Ambassadors with periodic lists of Cooperating Association registrants at the convention.

5. Global Ambassadors communicate regularly with the Ambassador Associations assigned to their countries. We encourage the Global Ambassador and the Ambassador Association to each country to work together on programs that help the NAR partner(s) in the country.
6. Global Ambassadors must communicate directly with their respective Global Coordinator, NAR staff, and the Ambassador Association before visiting their countries in order to best utilize resources from across our membership base, associations and bilateral partners.

7. Global Ambassadors are required to submit annual reports documenting activities concerning the Cooperating Association throughout the year. If periodic reports are provided as a result of visits to the international partner country and/or other activities, an annual report may not be necessary.
8. NAR Global Ambassadors may be asked to assist NAR staff in the event of a dispute or problem about a specific Bilateral Agreement or Memorandum of Understanding. This may require special meetings and/or conference calls to agree upon a course of action. Global Ambassadors should be familiar with the terms of the partnerships between NAR and the Cooperating Associations in their countries.
9. Global Ambassadors should communicate regularly with NAR staff and their Global Coordinator throughout the year to discuss relevant aspects of the NAR/Cooperating Association relationship, including association leadership changes, and country real estate market information. Although Global Ambassadors are accountable to the NAR President, generally they communicate with the assigned Global Coordinator, NAR staff who communicate in turn and if necessary, with the Chair of the Global Business and Alliances Committee, the Global Alliances Advisory Board, and the NAR President.

SOCIAL MEDIA GUIDELINES FOR GLOBAL AMBASSADORS

The National Association of REALTORS® (NAR) respects your right to interact and communicate using the Internet. In order to protect NAR from the posting of comments and information that may be harmful to its reputation, NAR has developed the following guidelines. For the purpose of these guidelines, “engaging in social media” means posting or uploading content to all types of interactive electronic communications including but not limited to websites, blogs, social networks, discussion boards and Internet Forums.

1. Posted content

When engaging in social media, be vigilant to ensure that you do not disclose any information that is confidential or proprietary to the Association or to any third party that has disclosed information to us. Please keep in mind that when engaging in social media, you are more likely to achieve your goals if you are constructive and respectful. Do not use ethnic slurs, personal insults, obscenity, or engage in any conduct that would not be acceptable. NAR respects your right under applicable federal, state, and local laws to communicate with others about the terms and conditions of your appointment. In communicating via electronic or other means, please make it clear to the readers that the views expressed are yours alone and that statements, opinions, and beliefs do not reflect the views of the Association.

2. Privacy Settings

Please remember that there are limitations to privacy settings. Private communication published on the Internet can easily become public. Furthermore, social media sites may change their current default privacy settings and other functions. It is important to understand the rules of the social media site being utilized.

3. Acceptable Use and Monitoring of Electronic Activities

NAR reserves the right to monitor social media channels and platforms of NAR representatives to protect the Association and its members.

4. Anti-Discrimination and Anti-Harassment Policies

NAR’s anti-discrimination and anti-harassment policies, including NAR’s policies on reporting perceived harassment or discrimination, may apply to statements that NAR representatives make or receive over social media.

TEACHING NAR COURSES IN ASSIGNED COUNTRY OR REGION

If you are asked to teach an NAR course in your assigned country or region, please be aware of the following:

- 1. Teaching for a fee:** You may teach an NAR course within your assigned country or region, and accept an instructor's fee. However, NAR will not reimburse you for any expenses during the trip. All arrangements for instructor fees or travel-related reimbursements must be made directly with the host organization. While you may still work towards your Global Ambassador/Coordinator goals during the trip, it is not required. In all instances, please provide NAR's Manager of Governance and Global Volunteer Services with advance notice of your teaching arrangement before your trip.
- 2. Waiver of instructor's fee:** While you are not required, or expected to waive your instructor's fee, you may teach an NAR course free of charge as a way of helping to promote education and relations in your assigned country or region. Provided you will also be working towards achieving your GA/GC goals during the trip, Global Ambassadors may still apply and receive a GA grant, and Global Coordinators may use their annual budget in connection with such trip. Please provide NAR's Manager of Governance and Global Volunteer Services with advance notice of your teaching arrangement before your trip.

TRAVEL GRANT POLICY

The objective of the National Association of REALTORS® Global Travel Grants program is to equitably provide reimbursement to GA who travel abroad to represent NAR.

The travel grants provide **partial** support for travel and subsistence for a meeting or conference in the applicant's assigned countries. Grants cannot be provided for travel to regional real estate conferences and meetings in countries other than those assigned (unless otherwise approved in advance) or for domestic travel to NAR meetings (including the NAR Legislative Meetings and Expo in May and the NAR NXT The REALTOR® Experience Conference in November) or for hosting visiting delegations.

Grant amounts are approved by a review committee before the trip. Reimbursements are issued after the trip and upon receipt of the GA's expense report and meeting report, up to the approved amount. Applicants must complete a meeting report and expense report within 30 days of return (see the next section for reimbursement policy).

Requests for full funding are rarely granted, so applicants must be prepared to cover a percentage of their foreign travel through other means. Grant award amounts will be determined based on resources and will be prioritized by the leadership of the Global Alliances Advisory Board and the Global Business and Alliances Committee.

Grant Award Criteria and Priorities: Travel grants will be prioritized based on the applicants' support of NAR Global's objectives. Every applicant, regardless of prior experience, is strongly encouraged to review his or her application with his/her GC prior to submitting it.

Eligibility: Applicants must be current GAs. Partial travel support from the applicant's local/state association of REALTORS® or from other sources does not make the applicant ineligible but must be disclosed.

Application Deadlines: Generally, there are four grant periods each year. However, during the COVID pandemic, the schedule may be different. NAR staff will be in contact with the GAs to notify them of the new schedule.

- For meetings between January 1 and March 31, applications are due on *December 1* of the previous year.
- For meetings between April 1 and June 30, applications are due on *March 1*.
- For meetings between July 1 and September 30, applications are due on *June 1*.
- For meetings between October 1 and December 31, applications are due on *September 1*.

The deadline is for receipt date. Applications will be reviewed within two weeks of each Travel Grant Deadline. Priority will be given to grant applications that advance the global objectives of NAR.

Send a complete copy of the application materials to Supap Jitta, Manager, Governance & Global Volunteer Services, at sjitta@nar.realtor.

To receive reimbursement, travel must be pre-approved by the Grant Review Committee (consists of the Chairs and Vice Chairs of the Global Alliances Advisory Board and the Global Business and Alliances Committee), and be confirmed by NAR staff. Following travel, grant recipients must submit a meeting report.

If grant recipients fail to request approval prior to traveling abroad on behalf of NAR and/or submit a meeting report within 30 days of the trip, there is no guarantee that expense reimbursements will be processed. The expense refund procedure is now fully electronic: all documents are scanned by the GA, including receipts. We strongly urge you to conserve original receipts, especially those for expenses exceeding US \$75.00. See NAR member travel policy for complete details.
