Sprint’s Priority Is Keeping Customers And Communities Safe.

Learn how we’re responding to COVID-19.

Our Customers

We’re supporting customers by:

• Sprint has signed FCC Chairman Ajit Pai’s Keep Americans Connected Pledge

• Customers not on unlimited plans will receive unlimited data

• Providing an additional 20 GB Mobile Hotspot per month for customers that already have Mobile Hotspot in their plan

• Providing 20 GB Mobile Hotspot per month to any customer that has a capable handset and did not have Mobile Hotspot

• Customers adding seasonal standby between 3/9/20-5/31/20 will have the charge credited for two months

Our Networks

We’re keeping you connected by:

• Working with T-Mobile to give you access to their network, so you can get more coverage nationwide

• Adding more capacity to support increases in usage demand

• Continuing to monitor, optimize and protect our Network

• Encouraging customers to enable Wi-Fi calling on their devices
