HOPE RISING

YOUR TRUST EMPOWERS US

ANNUAL REPORT 2021

MISSION

To support a sustainable disaster relief program utilizing resources and partnerships.

VISION

Housing support for those in need during times of disasters.

LETTER FROM THE PRESIDENT

As we commemorate 20 years of the REALTORS® Relief Foundation (RRF), we are honored to exist for a mission that provides urgent help to victims of natural disasters. Above all, we are humbled to have the support of the REALTOR® community that carries our mission from start to finish.

The year 2021 was extraordinary for RRF. We launched Hope Rising, RRF's first proactive fundraising campaign. REALTORS®, Associations, and corporations in the industry rallied behind the effort raising more than \$8.7 million. The campaign represented a critical shift for the Foundation. For two decades, we have asked for support after a natural disaster occurred, creating a delay in RRF's ability to approve grants and send funds to impacted communities. Hope Rising marked the start of adjusting that approach, so we could be ready before a disaster struck.

Fortunately, the request for proactive giving was widely embraced. While we had good reason to be proud of raising unprecedented results for the Foundation, we were reminded throughout the year of the urgent need that exists. Texas faced its first ever winter storm, Hurricane Ida swept through Louisiana, communities across the country saw deadly floods and tornadoes, and wildfires destroyed neighborhoods in the West. As a result of generous donations, RRF was able to respond immediately and promptly approve the funds needed to help the public with financial housing assistance.

Hope Rising brought help home to where it was needed most in 2021. Moving forward, we will continue to increase awareness of RRF but for now, I am proud to look back and acknowledge the amazing accomplishments of 2021.

Thank you to our supporters who took the lead before the need in 2021 and to those who will answer the call in the future. Whatever our next 20 years may hold; I am confident that together we will continue to help one neighbor at a time recover from devastating disasters.

Sincerely,

Michael Ford
RRF President

The REALTORS® Relief Foundation (RRF) is a 501(c)(3) tax-exempt organization dedicated to providing housing-related assistance to victims of disasters. Created as a REALTOR®-driven response to the 9/11 terrorist attacks, RRF continues to restore and rebuild communities affected by disasters such as wildfires, hurricanes, earthquakes, and tornadoes thanks to the generosity of individual REALTORS®, REALTOR® Associations, and affiliated organizations.

MESSAGE FROM THE CHAIRS

DAVID LEGAZ (NY)

The REALTORS® Relief Foundation and the 20th Anniversary Campaign mean so much to me because on September 11, 2001, I was also a member of the NYPD. We all remember where we were and what we were doing on 9/11. I recall that perfect blue sky morning that turned into the darkest of nights. As an NYPD Sergeant, I arrived as the North Tower fell and participated in the search and rescue and tragically lost my best friend and partner that day.

That darkness still lingers today for me, and others affected by 9/11. However, the immediate creation of RRF and the twenty-year history of the Foundation has brought light to this dark day for me. Together we have demonstrated the REALTOR® ability to help those in need, and rise from rubble and ash, in solidarity to support the public.

I am honored to have served as a Hope Rising Campaign Chair and extend a heartfelt thank you to our supporters. You have brought hope to families impacted by disasters in the present day and brought brightness into my life and others affected by the attacks that forever changed lives 20 years ago.

CRAIG WILBURN (FL)

It only takes a little from a lot of people to make great change. Twenty years ago, the NAR 2001 Leadership Team set forth a path for REALTORS® and our industry to better the lives of others and care for the neighborhoods we help create each day. Through the RRF Hope Rising Campaign, we have stepped up to the plate and together have continued serving as a catalyst for good.

It was exhilarating to see the hearts of REALTORS® and the industry on full display. Associations of all sizes made charitable contributions that many didn't think was possible, individuals gave unprompted in significant ways, and companies joined alongside RRF with unwavering support. This effort was an emblem of collaboration.

Serving as a Campaign Chair and being a small part of RRF's great impact was a privilege and experience I will forever cherish.

RRF 2021 LEADERSHIP

RRF was founded by a group of committed REALTORS® who saw the need, and years later, continues to be driven by dedicated REALTORS® who carry forth the mission of the REALTORS® Relief Foundation. The Hope Rising Campaign would not have been possible without the persistent leadership of the following individuals and the countless other volunteers who help spread the message around the country. Thank you for your commitment.

RRF Thanks 2021 NAR President Charlie Oppler

RRF extends its deepest gratitude to NAR President Charlie Oppler. Your passion for the Foundation was a major catalyst for the Hope Rising Campaign and drove education of RRF among REALTORS®.

Throughout the year, President Oppler initiated efforts to increase awareness including Charlie's Challenge and the 20th Anniversary Commemorative Event. The Commemorative Event was a cornerstone of the Campaign that provided a platform to share stories of volunteers and grant recipients over the past 20 years and increase awareness of RRF's story and impact.

Hope Rising: The 20th Anniversary Campaign

The REALTORS® Relief Foundation 20th Anniversary Campaign marked the Foundation's first step in establishing sustainable reserves to ensure RRF is prepared to help those in need during times of crisis. Throughout its history, the REALTOR® community has generously responded to RRF's requests for support following the occurrence of major natural disasters. By proactively garnering support, the effort has equipped the Foundation to mobilize without delay at the onset of disasters.

RRF 2021 Funds in Action

In the first 11 months of 2021, the Foundation helped support 10 disasters and disbursed \$925,000 to the communities impacted by natural disasters.

At years end, multiple disasters occurred — wildfires in Kansas and Colorado, tornadoes in Tennessee, Arkansas, and Kentucky. Thanks to the inflow of generous donations received from the 20th Anniversary Campaign, the RRF was able to respond in an unprecedented way in December with \$3.7 million in funding within days of each of the occurrences. Prior to 2021, this response would not have been possible. With nearly 45% of funds already granted, Hope Rising has led to tangible impact.

There's nothing more encouraging than knowing that our REALTOR® family stands beside us in times of need. After the recent tornado disaster in Western Kentucky, RRF awarded \$1,500,000 within a day of submitting the grant application. We are so appreciative to have the opportunity to care for our neighbors in need alongside the REALTOR® community.”

—Mike Inman
Kentucky REALTORS® 2022 President

Through RRF, REALTORS® come together to make immeasurable change. In Louisiana, we've witnessed the support and manpower that REALTORS® give to ensure victims of disasters can remain safe in their homes and provide hope to them during a great time of need. I am thankful for the help that Louisiana REALTORS® has received and the opportunity we had to pay it forward through the Hope Rising Campaign.”
