GREATER BOSTON/MASSACHUSETTS KEEP KIDS SAFE PROGRAM

REMEMBER TO SECURE YOUR PRESCRIPTION MEDICATIONS

Securing your medications will help prevent prescription drug theft or misuse, and is a significant contribution to addressing the complex issue of addiction.

MAKE IT A SAFE HOME.

Place your prescription medications in this re-sealable plastic bag and store it in a secure, locked location.

DROP OFF UNWANTED, UNUSED OR EXPIRED MEDICATIONS

The safest way to ensure your medications are securely and safely disposed of is to drop them off at a location near you. Nearly every police station in the Commonwealth has a drop box in their lobby where you can anonymously reduce the risk of these medications falling into the wrong hands or damaging our environment. Visit makeitasafehome.org/boston or scan this QR code to find a list of cities with a drop box location near you.

To learn more about how you can start your own Keep Kids Safe Program, smart tips for securing and disposing of medication, tips for talking to teens, and more, please visit makeitasafehome.org/what-you-can-do.
