Health Insurance PAG

In early 2014, GAR President Linda Carol Porterfield appointed a Presidential Advisory Group to explore insurance options for members. After extensive research and careful selection by the PAG, GAR has partnered with Lighthouse Benefit Resources to provide healthcare insurance options that suit the needs and budgets of our members.

Lighthouse Benefit Resources has established a GAR exchange online, which can be accessed from the Member Benefits section of the GAR web site, or directly at www.GARexchange.com. GAR members may sign up for health insurance during the Open Enrollment period, which is November 15, 2014 through February 15, 2015, but all other types of insurance - such as dental, vision, pet, life, disability, long term care, telemedicine – can be purchased at any time.
