

MISSOURI ASSOCIATION OF REALTORS®

At Missouri REALTORS®, we are committed to advancing the real estate profession and providing benefits and services that exceed expectations. We have recently launched a project with McKinley Advisors, a respected association consulting firm, to collect feedback from Missouri REALTORS® on ways that we can better serve their needs. This is their chance as a member to make your voice heard and let us know how you think we're doing.

We are asking our members for their help in understanding the value of our resources today and the opportunities that exist to improve our services in the future. The survey is quite extensive (approximately 15 minutes) so we are offering an opportunity to win one of five (5) \$100 VISA gift cards, compliments of Missouri REALTORS® to those who complete the survey.
