

NEBRASKA REALTORS® ASSOCIATION

On behalf of President Meister below is Nebraska's Idea Sharing item:

REALTOR® Mark of Excellence

The Nebraska REALTORS® Association created a Pathways to Professionalism Committee several years ago to address professionalism issues in the State. One of the programs developed by the Committee is the REALTOR® Mark of Excellence. The Mark of Excellence recognizes individual REALTOR® achievement in the areas of association participation (local, state & national), activity in NAR's Institutes, Societies, and Councils, earned designations, educational activities as well as political and community involvement. Points are awarded in each area. Qualifying members receive the Mark of Excellence lapel pin the first year and certificates for subsequent years.

I have attached the Mark of Excellence form which includes a graphic of the lapel pin.
