6 SIMPLE STEPS

- 1 Go to **Realtor.org** and click on **“My Account”** in the upper right; then sign-in.
- 2 Under **“Update Other NAR Accounts”**, click on **“Change your member data profile (NRDS)”**
- 3 Update any contact information — phone, mailing address, and email address.
- 4 Scroll down to the categories towards the end labeled **“Primary Field of Business”** and click on **“List Field of Business”** to select from the options available. Choose the one that accurately describes the majority of your business.
- 5 Repeat the process for **“Secondary Field of Business”** (you may add up to 3 that represent specialties).
- 6 Click on **“Save Changes”** at the bottom of the profile page.

Now You're Up to Date!
