SAFETY SPRINGS ETERNAL

This spring, share these safety tips with REALTORS[®]:

BEWARE OF DROP-IN BUYERS

As home buying warms-up with the weather, be aware that not all agents, buyers and sellers are who they say they are. Strangers who stop by unannounced should be asked to make an appointment with the REALTOR[®].

WEED OUT RISK

Thieves can be bold—so if you're doing yard work in front of your house, lock the back door and garage. If you're working in the back yard, lock the front door and garage.

TAKING A SPRING BREAK?

When you're on vacation, suspend deliveries of newspapers, mail, and other delivered items. Put timers on lights and a radio to give the appearance that you're home.
