

## **Massachusetts Association of REALTORS®**

### **REALTOR® DAY AT FENWAY**

Realtor® Day at Fenway Park builds pride in being a Realtor®, fosters positive association community among members and promotes the Realtor brand to thousands of consumers.

Last year we held our first Massachusetts Realtor® Day at Fenway Park. Over 475 Realtor® members, their family and friends attended the fun event. Everyone sat together in the bleachers packing a full section of Fenway Park. The Association logo was blast on the Jumbotron throughout the course of the game and the MAR Leadership Team was invited onto the field before the game with the Red Sox mascot, Wally the Green Monster and introduced to the crowd.

This year's game is June 11, 2017. To share in the community spirit of Realtors®, our Leadership invited Region I Realtors, all of our New England neighbors. So on June 11, nearly 600 Realtors® from not only Massachusetts but the other New England states of Vermont, Maine, Rhode Island, New Hampshire and Connecticut will gather in Fenway Park once again. And one of the Realtors® attending, whose family owns a restaurant across the street from Fenway, has graciously invited all her fellow members to enjoy a pre-game event.

The Realtor® brand and pride will consume an even larger area of the bleachers and the New England Realtors® will be visible to the thousands who also attend the Red Sox game.
