FALL INTO SAFETY

SEPTEMBER IS REALTOR[®] SAFETY MONTH

Here are three personal safety tips to remember this fall:

REPLACE YOUR SMOKE DETECTOR BATTERY

Keep safe this season by replacing the battery in your smoke detector. This is also a good time to invest in a carbon monoxide detector as your furnace will be used more often in cold weather, which may increase the risk of a carbon monoxide leak.

SECURE YOUR HOME BY KEEPING A LIGHT ON

This will deter potential criminals from attacking your house or vandalizing property. You don't have to run up the electric bill; even leaving a small light on may be enough to discourage intruders.

PROTECT YOURSELF WHILE IN YOUR VEHICLE

Protect yourself from dangers like carjacking by always being aware of your surroundings. Keep your doors locked and windows rolled up, and call the police if you feel threatened. Keep an emergency pack in your trunk with non-perishable food, water and a blanket. And don't forget a phone charger!
